SERENDIPITY STUD

The Judge was very pleased with the quality of animals presented and commented on the great clipping job on some of the animals that made all the difference today. The rain was annoying but it was great that we were able to work through it (under the shelters).

A huge thank you to Steve Groth and Margaret Collins for their support, donation and time organising the area and pens for exhibitors, all help and donations are always greatly appreciated.

Thank you to the competitors for travelling such a long way to support the show, and for an enjoyable day.
